Classic and classy, the Baby chair is a simple and elegant addition for home dining and commercial use. Its fine, 4-leg frame is made from brushed chrome or painted tubular steel, and is conveniently stackable. The chair's subtly curved seat and back is fashioned in beech or plywood, available in house stain or veneer finish. Seat, front face or fully upholstered shells are available in a choice of house fabrics, leather or hide.

#### Warranty

1 year structural warranty

#### Lead time

12 weeks

#### Maintenance

Refer to Stylecraft care + maintenance guide

#### Stackable

4-leg chair stackable to 8 chairs
