The Hoopla collection of chairs brings simple, practical design to life. Suitable for any environment, Hoopla is characterised by its sleek, curved design. The Hoopla range includes a stackable chair, barstool or linked chair system, each available with a range of base options, including 4-leg and swivel. Chairs and stools in the Hoopla range feature a single-piece shell made from plywood to house veneer finish. With the option of an upholstered seat pad in house fabric, leather, hide or to clients own specification.

## Warranty
