■ PE04	■ PE09
■ PE05	■ PE10
■ PE06	■ PE11

The playful Jax collection is classic design with a literal 'twist'. The range, which includes a table or stool, features a design that gives the illusion each elliptical piece has been twisted in the middle. Made in durable roto-moulded polyethylene, in a wide range of UV-stable colours. Jax tables and stools are suitable for indoor and outdoor use.

#### Warranty

1 year structural warranty

#### Lead time

Stool – stocked item, if not in stock  
12 weeks
