The Leaf collection offers contemporary comfort inspired by nature. The range features a number of adaptable items including a chair, stackable chair, lounge chair and chaise lounge. With its fresh interpretation of clean, essential lines, Leaf is suitable for all environments, including domestic, resort and commercial settings. The Leaf dining chair and stackable chair are produced in steel with a choice of white, mocha or green powdercoated finish, making them suitable for outdoor use. Leaf is also available with a polyurethane or soft leather cushion, for indoor use only.
