Muga Thin Upholstered Chair

Muga Thick Upholstered Chair

The Muga Chair collection embodies a group of smart task and executive seating. There are many options in this family, including three back heights, each available in two thicknesses; and upholstery can be finished in thin hide, thick soft leather or fabric. The Muga Chair offers optional arms constructed from either fixed polished aluminium, with optional upholstery, fixed polypropylene or adjustable polyurethane. The base can be made from either polished aluminium or polyamide and includes gas-lift, swivel, synchronised mechanism and optional seat-depth adjustment.
