Norma 630 Barstool

Norma 760 Barstool

The Norma collection embraces classic minimalist design, making it the ideal addition to home or corporate environments. This stackable version comes in a low lounge, medium or high back chair or as a barstool and features a simple steel frame topped with polyurethane padding, which is fully upholstered in a choice of soft leather, cowhide, suede or house fabric. The high-quality upholstery is also available with eye-catching reverse seaming as an alternative to standard upholstery.
