Slalom Chaise

Design Pietro Arosio

The Slalom chaise lounge fuses optimum comfort with simply stylish design. The chair's sleek sled base may be adjusted to two positions with one simple movement, and is made from brushed stainless steel. The Slalom's seat is fashioned from fire-resistant polyurethane padding over a mild steel inner frame, and comes fully upholstered in a choice of house fabric. For even greater adaptability, the Slalom is also available with an adjustable magnetic headrest. The Slalom range also features an outdoor version of the classic chaise lounge, which is made from slatted birch with an optional all-weather padded cushion.

Warranty

5 year structural warranty

Lead time

12 weeks

Maintenance
