

Palm

Design Lievore Altherr Molina

Offering the ultimate in adaptability, the Palm seating collection is suitable for contract, hospitality or domestic settings. The versatility of the range is evident with the shell available in polyethylene, or upholstered in fabric or leather. Flexibility is apparent in the range of base options. This includes 4-leg and sled bases in mild steel finished to bright chrome or house powdercoat colours. For the office environment, a range of swivel and castor base models finished to polished aluminium or house powdercoat are available.

Certification

GECA - polyethylene shell with powdercoat or polished aluminium base ISO 14001

Warranty

5 year structural warranty

Lead time

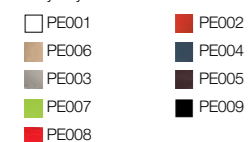

Selected models carried in stock, please check for current availability. Upholstered items carry a 12 week lead time
