Autobahn by Derlot Editions is a modular seating system able to be adapted to a variety of configurations suitable for commercial work areas and public spaces.

Components include a straight bench seat in three lengths, with or without a backrest, and curved modules able to form a 1200mm, 1800mm or 2400mm radius, with the option of an internal or external backrest.

A 400mm dia table for working or relaxing may be affixed to the frame at regular intervals.

Fabric or leather upholstery may be considered for the seat and backrest with the frame finished to black or white powdercoat.
