B5 Task Chair

by Stylecraft

B5 by Stylecraft provides a unique task seating option for workplace environments. The B5 synchro task armchair features a contoured polyamide frame and integrated armrest with the seat in breathable mesh fabric. Gas lift height adjustment and rear seat tilt mechanism are incorporated as standard features of the chair.

The 5 way castor base is available in options of black ABS or polished aluminium whilst the mesh seat is available in an open or full weave.

Lead time

The polyamide frame in black with the two varieties of mesh are our stock options, with charcoal or light grey polyamide frames available on 14 week indent order.
