# Polar Wall Light

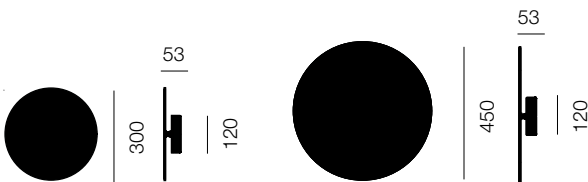

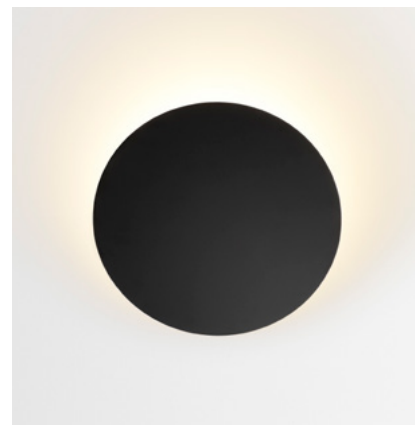

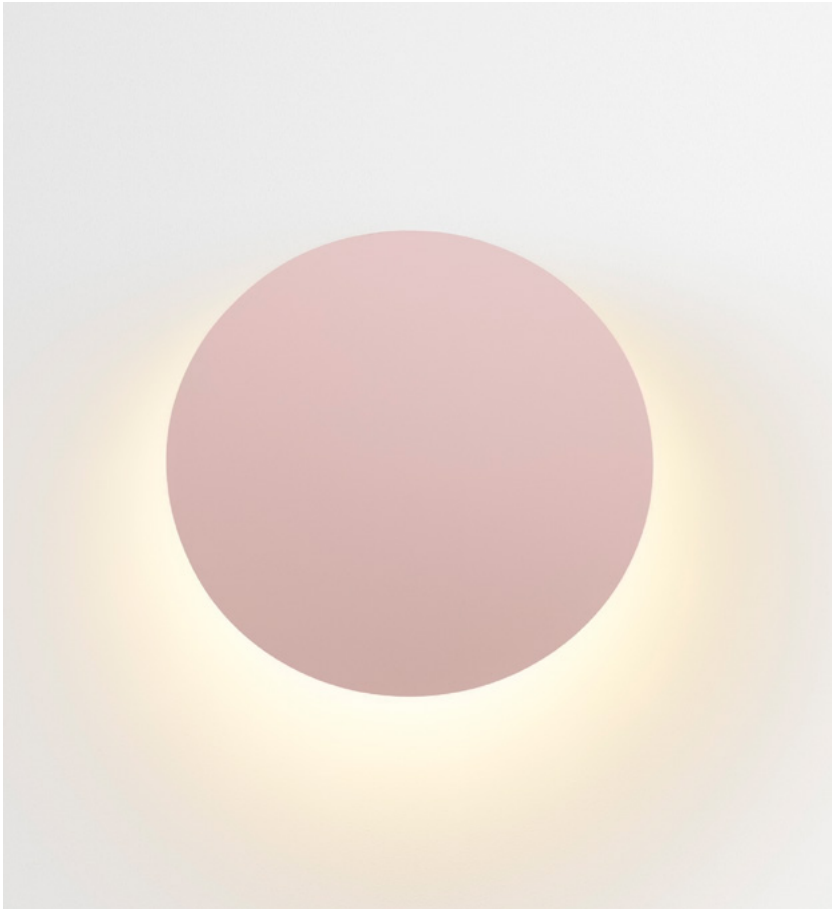

by Ross Gardam

The Polar Wall Light by Ross Gardam is characterised by a circular motif with the ability to cleverly manipulate light and shadow within a space. The back hinge allows the disk to pivot up or down, softly directing the light output. The two face sizes, 300mm or 450mm diameter, are available in polar white, midnight blue, dusk pink and black powder coat or a gold mirrored acrylic face.

Featuring a 13W dimmable LED module with the option to be hardwired or with a length of black or white flex to be plugged into a wall outlet.

## Lead time

6 weeks

## Warranty

1 year structural warranty

## Maintenance

Refer to Stylecraft care + maintenance guide
