The Gorka Chair collection is extensive. The square back shell is available in two widths and two heights, made from either beechwood ply, or flexible polyurethane (for upholstered chairs only). Upholstery can be finished in house fabric, leather, hide, or to a specification. The four-leg Gorka frame is made from cast aluminium and can include arms. Other options include a bench seat program and an office chair on castors.

Certification

GECA
AFRDI Level 5 – Gorka 4-leg chair
