Noe Lounge

Design Lievore Altherr Molinà

Reminiscent of the popular Zoe collection, Noe is a modular lounge system with multiple configuration possibilities. The range includes a straight lounge, corner lounge, chaise and ottoman, all of which feature a plywood base panel, topped with padding made from a combination of self-supporting polyurethane and polyurethane fibres.

For additional comfort, lounges and chairs in the Noe range have backs that incorporate a unique compartmentalised inner tube, filled with expanded polystyrene pearls.

With the option of round or square armrests and cushions, Noe comes fully upholstered in a choice of house fabrics, vinyl or leather, with expressed stitching or plain. All cushion covers are removable for easy cleaning. All elements in the Noe collection have lacquered beech feet, and come with a practical hooking system that locks them together. Noe can also be fitted with tables from the Blog range.

Warranty

5 year structural warranty

Lead time

12 weeks

Maintenance
