# Arbor Table & Bench

by Justin Hutchinson

Bench

Low Table

Arbor by Urban Commons is an elegant and robust outdoor setting designed to weather Australia's extremes. Arbor is at home on balconies, rooftop gardens and shared residential and commercial work spaces or in hospitality settings.

The durable outdoor setting features weather-resistant mild steel zinc powdercoat frames paired with spotted gum timber slats. The steel frame responds to the timber by curving in unison to define the table and bench seat ends.

**Lead time**

6 weeks

**Warranty**

5 year structural warranty

**Maintenance**
