The design of the A600 Bench conveys the best of outdoor living with seat panels emulating padding to create an inviting aesthetic.

Constructed from aluminium and with an oven cured powdercoat finish, the lightweight and durable bench is finished in a choice of charcoal, white or mustard powdercoat.

The appeal of the A600 series clean lines allows the range to suit a variety of applications, both commercial and residential. The A600 range also consists of a Chair, Lounge Chair, Ottoman, Pedestal Table and Dining Table.
