Costura Lounge

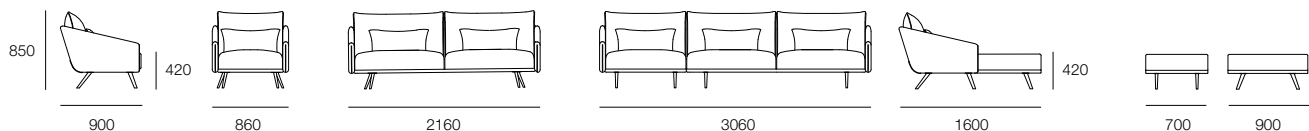

by Jon Gasca

Costura from Stua references the noble tradition of couture tailoring, guiding the design process of the lounge collection.

Featuring a slim profile with tailored details, Costura is available as a generous three or two seat lounge, lounge with chaise, chaise longue, mini-lounge, armchair and ottoman. Costura comprises a plywood internal frame fully upholstered in fabric from Stua's house collection. The back lumbar cushions are included as standard and offer additional comfort to the ample form of the armchair and lounge.

The legs are injected aluminium finished to matt black powdercoat and may be aligned in two positions - straight or on the diagonal.
