Duna 02 4-Way Castor

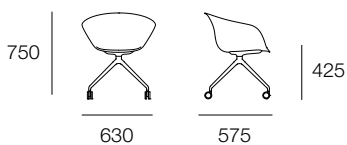

by Lievore Altherr Molina

An evocative and contemporary shape suitable for many environments is the Duna 02 4-Way Castor by Arper.

The evolution of Duna 02 allows for a thinner and sleeker profile with the polypropylene shell available in six colours. Upholstery options include fully upholstered, front face upholstery or seat pad upholstery from a selection of Arpers house fabric and leathers.

The 4 way castor base is fabricated in aluminium and is available in a polished finish or house powdercoat colour of black or white.

Lead time

The Duna 02 4 way castor chair is a stocked item with a polypropylene shell and powdercoat base in black or white. For upholstered items, alternative base finishes, or if the components are out of stock, the lead time may be up to 14 weeks.
