Leaf Stackable Chair

Leaf Non-stackable Chair

The Leaf sled chair by Arper is inspired by nature, however with a contemporary twist. Manufactured in solid steel rod, the Leaf sled chair features a choice of white, black, mocha or green powdercoated finish suitable for outdoor use. An optional cushion is available in polyurethane for outdoor use, or soft leather for when Leaf is used indoors adding an additional level of comfort.

The Leaf collection is completed with a stackable chair, barstool, lounge chair and table range.

Lead time

The Leaf sled chair is a stocked item in black or white powdercoat, if out of stock these colours are on an 8 week lead time. For green and mocha powdercoat options a 14 week lead time applies.

Warranty

7 year structural warranty

Certification

GECA
