Leaf Table

by Lievore Altherr Molina

Drawing inspiration from nature is the Leaf table by Arper. Available in side and dining table height, the Leaf table is suitable for both indoor and outdoor environments. The powdercoated steel base, reminiscent of a tree branch, is available in White, Lime or Chocolate. The water repellent compact laminate table top in Dark Grey is available in an organic shape or various sizes in round or square.

The Leaf table is the companion piece to the Leaf dining and lounge chairs.
