Montevideo Lounge & Armchair

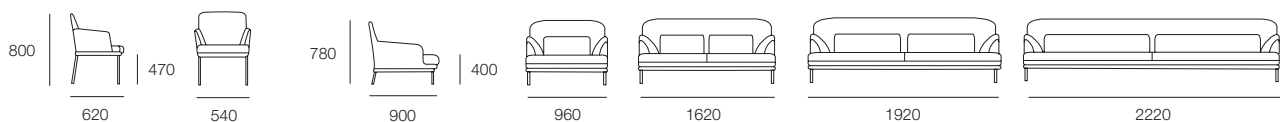

By Claesson Koivisto Rune

Carefully designed lines and generous proportions are the hallmarks of Montevideo. The collection comprises a lounge available in three sizes and an oversized armchair. A compact armchair suitable for meeting and dining spaces completes the collection.

Upholstery is from the standard range offered by Tacchini. Cushions have the option of foam for commercial areas and down for more residential settings. The powdercoat colour options for the base are white, black and chocolate.
