

Nilson Lounge

By Lievore Alther

Nilson Lounge

By Lievore Altherr

Designed by the studio of Lievore Altherr, the Nilson lounge collection features the versatility of a backrest in two heights.

The high backrest version of Nilson comprises a reclinable headrest so that an optimum comfort level can be achieved when it is time to relax. The more traditional, lower backrest expands the use of the Nilson lounge from domestic settings into commercial and office environments.

Together with the two distinctive backrest heights, the defining feature of Nilson is the unique apex form of the base, moulded from cast aluminium and finished to a warm bronze powdercoat.

A day bed is the perfect complement to the complete Nilson collection.

Warranty
5 year structural warranty

Lead time
14 weeks

Maintenance
