Roma Lounge & Armchair

by Jonas Wagell

With a clear inspiration from the fifties, the Roma Lounge is characterised by its soft curving sphere transcending from a lounge to a chaise. With generous proportions on slim line legs, the body of the Roma lounge features upholstery in house fabric or leather. The legs are constructed from mild steel and finished to satin chrome, matt champagne gold or black or white powdercoat.

Classical in its design, Roma is also available as a single armchair to complete the collection.
