Stone Lounge

by Pearson Lloyd

Stone is Tacchini's practical yet playful take on public seating, with a distinctive low-set curved shape. The modular collection of lounges is available in a number of configurations. Constructed from plantation hardwood and plywood, Stone is topped with fire-resistant foam and fully upholstered in a choice of house fabric or soft leather from Tacchini's selection. Suitable for lounging and dining, Stone is available in two seat heights, with the mild-steel base finished to a choice of house powdercoat colours in black or white or to matt chrome. In public spaces an end table in laminate or lacquer may be added to the lounge configurations.
