The Catifa 53 chair on 4 way swivel base by Arper is suitable across many commercial or home office applications. The shell is available in matt polypropylene in a range of house colours, or can be fully upholstered in fabric or leather with line stitch detail. Front face upholstery where the textile juxtapositions with the polypropylene back adds a unique touch.

Available with or without armrests, the cast aluminium 4 way swivel base is at fixed height and finished to polished or house powdercoat colour.

Lead time

The Catifa 53 4 way swivel chair with polypropylene shell in select colours and polished aluminium base is a stocked item. Full or front face upholstery requires a lead time of 6 weeks. For black or white powdercoat bases, or when components are out of stock a lead time up to 14 weeks needs to be considered.
