Ivy Soft Lounge

by Gary Galego for ESO

Lead Time
8 weeks

Certifications
Undergoing GECA re-certification

Warranty
7 years structural

Maintenance
Please refer to the Stylecraft Care & Maintenance Guide on product listing

With an inviting contoured shape, the Ivy Soft lounge chair by ESO may be considered for many environments. The internal core of the shell consists of recycled post-consumer plastic waste which is upholstered in fabric or leather, with a matching button detail, and the soft upholstery allows for additional comfort. The stainless steel base is available in sled or 4 leg versions and is finished to polished, finished or powdercoat colour.
