Up to 4 units

**Warranty**  
2 years structural

**Maintenance**  
Please refer to the Stylecraft Care & Maintenance Guide on product listing

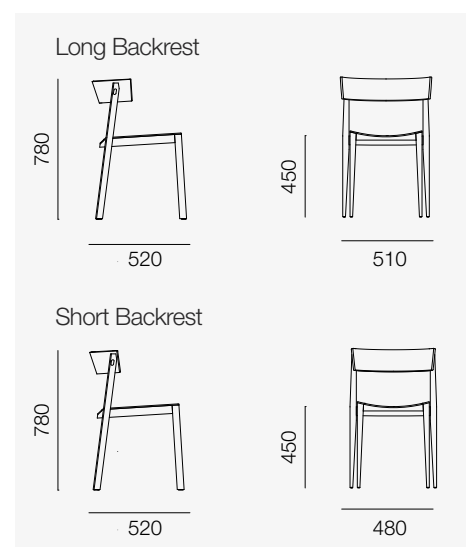

Designed by Numen/ForUse for Prostorica, Bik is an archetypal chair reduced to its core elements of four legs, seat and a backrest.

The stackable Bik Chair is ideal for education, hospitality and breakout areas in commercial environments.

The frame of Bik is constructed from solid Beech or Ash, with the curved seat and backrest formed from moulded plywood. The backrest of the Bik chair is available in a short or long version.

Finish options for the Bik chair include Oak or Ash stains or lacquered in a choice of red, blue, green, anthracite grey or black.
