The natural warmth of timber is apparent in the Aatuti veneer drums and cubes. From Stylecraft's house collection of products, Aatuti veneer is in a circular or cube form. The circular Aatuti veneer drum provides the option of an inlaid cut away storage shelf for storage of personal items.

Constructed in durable veneer board in standard Sandblasted Oak or Arcadian Oak, with the additional option to select finishes from the entire NAVLAM veneer offering. Indoor use only. The Aatuti collection of drums and cubes is also available in a 2 pack paint finish or finished stainless steel.
