Maintenance

Please refer to the Stylecraft Care & Maintenance Guide on product listing

Providing a contemporary solution for the office or meeting room is the Reaction executive chair.

Available in medium back or high back, the Reaction executive features a fully upholstered shell in either fabric or leather with the option of plain or fluted stitch detail.

Reaction features gas actioned height adjustment with knee pivot tilt adjustment.

When used in boardrooms or meeting rooms Reaction is available at a fixed height. The base is available in either polished aluminium or black powdercoat.

Armrests feature the same finishes as the base and have an optional wrapped upholstery detail if required.
