Warranty
2 years structural

Maintenance
Please refer to the Stylecraft Care & Maintenance Guide on product listing

The Scoop barstool features a low back seat shell finished in either an Oak veneered moulded plywood or polypropylene to black, white or sand. Available in 650mm and 750mm seat heights, Scoop is suitable for residential, commercial or hospitality dining and breakout areas.

The stackable steel sled frame with integrated foot rail is finished to chrome or black or white powdercoat.

An optional fixed front face upholstered seat pad further complements the range and is available in a wide range of fabric or leather.
